From August Board Meeting

Hope Board News:

The board approved sponsoring The Dapper Bean coffee truck for the staff at Ward Elementary on Aug. 3rd, their first day back at school. The staff members were very appreciative.

The painting of the exterior trim and Fellowship Hall is complete. Upcoming projects include new countertops in the kitchen, and new flooring in the kitchen and all four bathrooms.

On Anniversary Sunday, we held a Congregational Conversation regarding the call process. The congregation affirmed the board's decision to seek a full-time, as opposed to a part-time Pastor. Bradd shared with the congregation the book "Keep the Change", a pastor story of his churches experience with reaching out to their community in generosity.

The board discussed the need to replace the exterior doors on the church with more secure doors.

Best regards,

Allen Daniel
Vice-Chair, Hope Board
