Board Notes from November meeting:

The columbarium has been installed, and is beautiful. Thank you to Kevin Absher for leading this project from beginning to end.

All the carpets and the floors throughout the church have been cleaned. Thank you to Ron Reed for coordinating that. They look great!

We have established a partnership with Ward Elementary School to assist as needed with supplies and volunteers. If you can help, please get in touch with Shirl Everhart.

If you have need of pastoral services, or know someone who would appreciate a visit, please get in touch with Allen.

Allen Daniel
